Subject: \$5,000 More This Year For Your Neighborhood Council!
Date: Thursday, July 02, 2015 5:54:49 PM

Dear Fellow Neighborhood Council Leaders:

Yesterday the City Council voted to approve a \$5,000 increase in this year's allocation to every Neighborhood Council in the City to \$42,000, up from \$37,000.

The motion, [Council File 15-0600-S72](#) was made by City Council President Herb Wesson and seconded by Budget and Finance Committee Chair Paul Krekorian. The action required approval by Mayor Garcetti, but since he is out of town, the Acting Mayor -- President Wesson -- was able to sign his approval of the City Council action immediately after passage!

Special thanks to Councilmembers Wesson and Krekorian for their leadership on this issue and for their support of Neighborhood Councils as well as to the entire City Council, which voted unanimously for this partial restoration of our funding, getting us closer to the \$50,000 level we were at prior to 2009. Please take a moment to thank your Councilmember(s) for their support!

(Please note LANCC is not meeting in July as the first Saturday falls on Independence Day, July 4th.)

Cordially,

Glenn Bailey
